Evgeny Gubin

Seeking employment as a junior-level full-stack software developer. Diverse experience with .NET, C#, C++, C, and other languages. Strong background in mathematics.

EXPERIENCE

Western Oregon University, Monmouth— *CS Tutor*

October 2023 - December 2023

Provided tutoring for undergraduate students in Computer Science Department of the university. Primary responsibility was to politely guide students through problems and/or troubleshooting steps.

Western Oregon University, Monmouth — *Math Grader*

April 2023 - June 2023

Graded assignments for two discrete math classes and completed class-related requests for the professors/instructors. The expectation was to grade work with accuracy and in a timely manner.

Western Oregon University, Monmouth — *Backend Web Application Developer*

January 2023 - March 2023

Responsible for SQL coding and doing migrations on a university project database. The web app was designed to track turtles in order to help the biologists.

Western Oregon University, Monmouth — *Research Assistant*

April 2022 - August 2022

Education and compiler research that involved creating a tool to run code coverage on tests for C++ projects.

EDUCATION
